

A well-known Brazilian cable tray company

AI Overview

Eletropoll is a leading Brazilian company recognized for its high-quality cable trays and industrial infrastructure solutions.

Eletropoll

Eletropoll stands out in Brazil for manufacturing a complete line of cable trays, profiles, beds, accessories, fasteners, supports, and lighting busbars, making it a reference in tray systems . The company is ISO 9001 certified, ensuring quality and advanced manufacturing processes. Eletropoll was the first in Brazil to implement self-fire galvanization, providing superior corrosion protection and durability. Their cable trays are designed to organize and protect electrical, telephony, and data lines while allowing for easy inspection, maintenance, and future project expansions .

Cable House

Founded in 1983, Cable House is another prominent Brazilian manufacturer of cable trays and related products such as hose clamps, cable ties, and industrial connectors . The company is known for customized solutions, high durability, and reliable performance. Cable House serves both national and international markets, emphasizing quality control and client satisfaction .
