

Latvian galvanized ladder-type cable tray manufacturer

Overview

Spina Group designs and manufactures cable ladders for industrial and infrastructure projects requiring reliable and ventilated support systems for electrical and instrumentation cables. Keep your cables safe and organized with Brilltech Engineers Pvt. These metal trays, coated with a special zinc shield, resist rust and last a long time, even in tough environments. They keep your wires tidy, cool, and protected, from power. Explore our full collection of Metallic Ladder 3D Drawings, including horizontal fittings, vertical fittings and metallic tray. Filter Results Results refresh instantly as you filter. Used to identify and differentiate offerings within a particular product line. Cable tray wiring systems offer significant advantages over conduit pipe and other wiring systems.
