

Manufacturer of Low Voltage Cable Trays

AI Overview

Some notable manufacturers of low-voltage cable trays include KDM Steel, Atkore International, Legrand, TRIPPLITE, Black Box, and OBO Bettermann.

Key Manufacturers

KDM Steel offers low-voltage cable trays made from aluminum, plastic, and galvanized steel, designed for flexibility, corrosion resistance, and easy installation in under-floor or underground applications . Atkore International is a leading manufacturer of cable trays and cable management systems, providing galvanized, stainless steel, and custom roll-formed trays suitable for industrial and commercial projects . Legrand produces wire mesh cable trays with patented designs for optimized load capacity and safety, ideal for low-voltage and data cabling . TRIPPLITE, Black Box, and OBO Bettermann are also recognized brands offering a variety of cable tray solutions for low-voltage installations, including ladder, ventilated, and solid-bottom types .
