

Manufacturers of perforated cable trays

AI Overview

Perforated cable trays are manufactured by specialized companies such as JLH Electric, Ramdev Steel Industries, and MEK Structural Engineering, with China being a major global production hub.

Leading Manufacturers

JLH Electric offers perforated cable trays in a variety of finishes including hot-dipped galvanized, powder-coated, pre-galvanized, stainless steel (grades 304 and 316), and aluminum. They provide trays in thicknesses ranging from 1.0mm to 3.0mm and widths from 50mm to 1200mm, with OEM/ODM options for bulk orders and custom sizes . Ramdev Steel Industries produces high-end perforated cable trays featuring profile designs with rolled flanges and ribs for enhanced strength, cable protection, and airflow. Their trays are suitable for industrial, commercial, and outdoor applications, and they offer customization for specific project requirements . MEK Structural Engineering Pvt. Ltd. has over five decades of experience in manufacturing and supplying perforated cable trays. They focus on high-quality materials such as aluminum and stainless steel, ensuring durability, easy installation, and safety for residential, commercial, and industrial projects .
