

Niger Flame-Retardant Cable Tray Manufacturer

AI Overview

Brilltech Engineers and Cable House are leading suppliers of flame-retardant cable trays in Niger, offering customized, high-quality solutions for industrial and commercial applications.

Key Manufacturers and Suppliers

1. Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a trusted manufacturer and supplier of electrical cable trays in Niger, including ladder, perforated, PVC, mild steel, stainless steel, and fiberglass options . Their trays are designed for durability, safety, and optimal cable management, promoting airflow to prevent overheating and ensuring compliance with industry standards. They provide customized solutions for residential, commercial, and industrial projects, along with installation support and after-sale services . 2. Cable House Established in 1983, Cable House is recognized for manufacturing and supplying a wide range of cable management products, including cable trays, hose clamps, crimping tools, and connectors . They offer customized flame-retardant cable tray solutions with high durability and reliable performance. Cable House serves both national and international clients, ensuring quality control and tailored solutions to meet specific project requirements . 3. Flame-Retardant Low Smoke Cable Options Some suppliers, such as those listed on Go4WorldBusiness, provide halogen-free, flame-retardant, low-smoke cable trays and cables suitable for high-risk environments like hospitals, data centers, hotels, and industrial complexes . These products comply with BS:7629-1, IEC:60228, and UL94 V-0 standards, offering fire survival and low toxic fume emission properties, making them ideal for safety-critical installations .
