

North Macedonia Power Distribution Box Design Manufacturer

AI Overview

Key manufacturers and suppliers of complete power distribution boxes in North Macedonia include TSN-ELPROM, Schneider Electric Macedonia, Rade Koncar TEP, and local distributors listed on [Machinesequipments.com](https://www.machinesequipments.com).

TSN-ELPROM

TSN-ELPROM, based in Skopje, has over 30 years of experience in production, wholesale, and engineering of electrical and power equipment. They supply a wide range of components for energy distribution networks, including medium voltage circuit breakers, insulators, aerial cables, and complete distribution panels. TSN-ELPROM partners with international manufacturers to ensure high-quality, certified equipment suitable for industrial and utility applications, making them a trusted supplier for ELEM, EVN, and MEPSO in North Macedonia .

Schneider Electric Macedonia

Schneider Electric offers the PanelSeT range, which includes metal and insulating enclosures suitable for industrial control panels, IT network cabinets, motor control centers (MCC), and human-machine interfaces (HMI). Their enclosures are designed for outdoor and demanding environments, providing flexibility, reliability, and thermal protection. Schneider Electric also provides accessories, mounting solutions, and software tools to configure complete power distribution setups .
