

Palestinian Cable Tray Manufacturing

AI Overview

Palestine hosts several reputable cable tray manufacturers offering a wide range of high-quality, customizable cable management solutions for industrial, commercial, and residential applications.

Key Manufacturers and Facilities

Jeetmull Jaichandlall (P) Ltd. operates a modern manufacturing facility in Palestine, producing cable trays in various sizes, shapes, and colors. Their plant uses advanced technology and equipment to ensure high-quality finishing and adherence to industry standards. The company emphasizes customization to meet specific industry requirements and serves multiple sectors including construction, agriculture, mining, and automotive . Brilltech Engineers Pvt. Ltd. is another prominent manufacturer, offering durable cable trays made from galvanized steel, stainless steel, and fiberglass. Their facility focuses on producing ladder, perforated, PVC, and mild steel cable trays. Brilltech ensures compliance with safety and regulatory standards, providing installation support, system design assistance, and after-sales service . Bahra Electric supplies cable trays designed for organized and safe electrical infrastructure. Their products include metal and non-metallic trays suitable for commercial, industrial, and institutional environments. The company emphasizes modularity, accessibility, and cost-effectiveness, with open-frame designs that facilitate maintenance and future upgrades . CK Cable Tray Systems specializes in high-capacity wire mesh cable trays for heavy-duty industrial applications. Their manufacturing plant focuses on scalable production, high load-bearing reliability, and optimized cable cooling. CK offers engineered solutions with anti-climb layouts, structural wall supports, and specialized installation components for secure and efficient cable management .
