

Price of Anti-Certificate Junction Boxes for Surveillance Cameras in Portugal

AI Overview

Anti-corrosion junction boxes for surveillance cameras, such as the Dahua DH-PFA120A, typically range from €30 to €80 depending on size, material, and features.

Overview of Anti-Corrosion Junction Boxes

Anti-corrosion junction boxes are designed to protect camera wiring and connections from harsh weather, dust, and tampering, making them ideal for outdoor installations . Popular models include:

- Dahua DH-PFA120A: A robust anti-corrosion mounting box suitable for various Dahua cameras, offering weather resistance and easy installation .
- GeoVision GV-MOUNT series: Includes multiple surface-mount and wall-mount junction boxes with integrated cable management for indoor and outdoor use .
- Aluminum or SECC junction boxes: Lightweight, durable options with operating temperatures from -40°C to +60°C, suitable for wall or ceiling mounting .

Typical Price Range

While exact prices in Portugal are not listed in the sources, international listings suggest:

- Small to medium aluminum junction boxes: €30–€50, suitable for single cameras and basic outdoor protection .
- Weatherproof or anti-corrosion models (e.g., Dahua DH-PFA120A): €50–€80, offering enhanced durability and compatibility with multiple camera types .
