

Price of Method for Moving Cable Trays 45 Degrees

AI Overview

The price of a 45-degree cable tray bend varies by material, size, and supplier, ranging from approximately ₹65 per kg to ₹100 per piece in India.

Pricing Overview

- Rudra Corporation offers cable tray bends starting at ₹65 per kg .
- Cable Tech and Clevermesh Industries list prices starting at ₹100 per meter or per piece .
- Medium-duty flat 45° bends made from pre-galvanized steel with built-in couplers are available from UK suppliers, though prices are typically provided upon request .
- 45-degree internal riser bends in galvanized steel, 35mm height and 1100mm width, are designed for vertical direction changes and offer corrosion resistance and mechanical strength; pricing is usually obtained directly from manufacturers like Habbal Alarabi (HEMCO), .

Material and Specifications

- Galvanized Steel: Provides corrosion resistance and mechanical strength, suitable for heavy loads and harsh environments .
- Pre-Galvanized Low Carbon Steel: Common for medium-duty flat bends, often with built-in couplers for easy installation .
- UPVC/PVC Options: Lightweight and corrosion-resistant, suitable for smaller installations .
