

Samoa Industrial-Grade Core Switch

Overview

An industrial-grade Ethernet switch featuring 8 Gigabit electrical ports and 2 Gigabit FX optical ports, supporting 8 × 100Base-T/1000Base-TX electrical ports and 2 × 1000Base-X optical ports. The product complies with FCC, CE, and RoHS standards. SAMOA is an industrial company that manufactures pumps, systems, and solutions for complex fluid handling since 1958. Do you want to see more?

SAMOA provides pumps, systems, and accessories used for transferring, dispensing, applying, measuring. Extreme Industrial Switches are a family of ruggedized Layer 2 switches designed to operate under harsh environments and extended temperature conditions. With flexible PoE options of IEEE 802. Our comprehensive portfolio includes unmanaged switches, managed switches, PoE switches. Find and discover Switch manufacturers and suppliers for all products in Samoa, featuring details on their shipment activities, trade volumes, trading partners, and more. Subscribe to global trade data intelligence to discover new business.

Pumps and systems for complex fluids

SAMOA provides pumps, systems, and accessories used for transferring, dispensing, applying, measuring, and controlling all type fluids in multiple applications within several industries.

Time-Sensitive Networking: From Theory to Implementation in Industrial ...

Time-sensitive networking (TSN) is set to reshape the industrial communication landscape and lay the foundation for the convergence of Information Technology (IT) and Industrial Operations Technology

Electric pumps

SAMOA offers electric pumps to dispense oil, DEF, and diesel in vehicle service applications. SAMOA offers a range of electric pumps including AC and DC versions with different flow rates.

Industrial Switches (ISW) | Extreme Networks

Extreme Industrial Switches are an excellent choice for industrial environments, including intelligent transportation systems, utilities, and smart cities. Full redundant ring technology creates fault-

Layer 3 Managed Switches

Moxa's Layer 3 managed switches feature industrial-grade reliability, multicast availability, and security enhancements based on the IEC 62443 standard. We

Products

Products About our products SAMOA manufactures a complete range of high-quality pumps, systems, and accessories for handling complex fluids. We offers
