

Swedish Mobile Optical Cable

AI Overview

Sweden has a robust fiber optic cable industry, with leading manufacturers like Hexatronic, Nexans, and Amokabel providing solutions for mobile, telecom, and long-haul networks.

Key Manufacturers and Suppliers

-

Hexatronic Cables & Interconnect Systems AB: Specializes in fiber optic cable infrastructure for telecom companies, including duct, copper cable, and network accessories. The company originated from the former Ericsson site in Hudiksvall and focuses on both manufacturing and providing integrated solutions for mobile and fixed networks .

-

Nexans Sweden: Offers a wide range of fiber optic cables for data, telecommunications, and industrial applications. Their products are suitable for national, city, rural, and property networks, supporting indoor, outdoor, underground, aerial, and water installations .

-

Amokabel Group: Headquartered in Alstermo, Sweden, Amokabel manufactures installation cables, overhead lines, and specialized cables for defense and industrial applications. The company emphasizes sustainability, renewable energy use, and responsible business practices .
