

Where in Albania can I find industrial switchboard projects

Overview

Interested parties can bid online for government-financed projects at the following sites: Ministry of Infrastructure and Energy Ministry of Economy and Finance Albanian Development Fund Statkraft Trans Adriatic Pipeline Albanian Construction Portal. Public Procurement Agency (APP): The APP is the central authority responsible for regulating and monitoring public procurement in Albania. Its website publishes a wide range of information on the procurement process, including tender notices, contract awards, and procurement regulations. Sustainable development in southern Albania was to be strengthened and a positive contribution to climate change mitigation made through a quantitatively and qualitatively improved electricity supply (impact level). The project included the building or rehabilitation of transmission lines and. OpenStreetMap is a map of the world, created by people like you and free to use under an open license.
